# Free travel scheme for under-22s

## How it works

- Young people in Scotland (aged 5–21) are entitled to free bus travel with a valid NEC card.
- Just put your card onto the reader, tell the driver where you'd like to go and wait for your ticket to come out.
- Take a seat, and enjoy the journey!
- You **must** have a valid/usable card to travel for free, otherwise a fare will be charged.

## How to apply

- Visit [getyournec.scot/nec](https://getyournec.scot/nec) to fill out an online form or contact Dundee City Council and request a new card (as cards issued prior to January 2022 will not be valid for this scheme).
- Parents/guardians must apply on behalf of those aged under 16.

# Download the app on your phone

## **Plan your journey in advance**

- Track your bus live on the map
- Check out full timetables and routes
- Follow live service updates

## **More than just a school bus**

Use your NEC card to travel on bus services across the city – including in the evenings, at the weekends and during school holidays

## **Remember to travel responsibly**

Young people are more than welcome to take the bus with us, but don't forget that public transport is used by other people too. That means behaving with consideration for your fellow passengers, and wearing a face covering (unless a valid medical exemption applies) to look after yourself and others.

### **Get on with contactless**

It's quicker & easier than paying with the exact fare every time.
