

November 2018

Dear Parent/Carer

Dundee City Council are carrying out an evaluation of the accommodation provided in the new Harris Academy building. To support the creation of future school buildings, it is important to gain people's views in order to learn from any successes or failures.

All parents/carers are invited to complete the questionnaire and include additional comments where required. The questionnaire is broken down into a variety of areas to gain as much relevant information as possible, these include General Physical Environment, Teaching Areas, Ancillary Areas, External Facilities and Suitability of Accommodation

This questionnaire is for parents/carers only, separate questionnaires will be completed within school by Pupils and Staff. We would ask that any response be completed no later than 23rd November 2018, allowing us to analyse and collate the results.

Please note, this survey is anonymous, the record of any survey response does not contain any identifying information about you unless the question explicitly asks for it.

To access the survey, please use the link below which is also available on the Harris Academy webpage.

<https://consult.dundee.gov.uk/limesurvey/index.php/284125/lang-en>

Many thanks in advance for taking to time to consider and complete this information on the schools behalf.

Yours sincerely

Mr Gordon Laidlaw

Depute Head Teacher
