S1 Parent / Carer Evening

A reminder that our S1 Parent and Carer evening will be taking place next Monday (the 23rd of January) in the school building. The online booking system is now live, and parents should have received an email explaining the log in process. If you have any issues logging in or making appointments, please contact the school office. The booking system will close on Sunday.

At the end of the evening (7pm), there will be a short 10-minute presentation on the United Nations Convention on the Rights of the Child (UNCRC) in the tiered seating area, everyone is welcome to attend. If this falls outside your appointment times and you would like to receive information on the UNCRC please contact myself via the school office for further correspondence. I look forward to seeing you there.

Please note, that due to the building work for our extension, there is no car parking available in the school.
