

21st January 2019

Harris Academy Course Choice Information Evening

Monday 4th February 2019

Dear Parent/Guardian,

We would like to take this opportunity to invite you, along with your son/daughter, to attend our course choice information evening for current S2-S5 pupils who will be selecting their school subjects for academic session 2019-2020.

Please note that in order to ensure our current seniors focus solely on their Formal Assessments, we have changed the date of the event as the original date coincided with the second week of those assessments.

The format of the evening will consist of two ½ hour presentations providing a range of information to support informed choices as well as providing advice on progression routes through the Senior Phase and the development of their individual career pathways. This event will be delivered by school staff along with representatives from Dundee & Angus College and Skills Development Scotland.

We have added a considerable number of new courses to our Senior Phase offer this year including a number of National Progression Awards and Foundation Apprenticeships. Information related to both types of qualifications will be offered during the presentations.

The evening will be split into the following inputs which will take place in the Tiered seating area on the above date:

Current S2 parents and pupils - 7pm - 7.30pm

Current S3, S4 & S5 pupils - 8pm – 8.30pm

Please be advised that the course choice presentations contain information specific to those particular year groups.

There will be a 30 minute break between presentations to allow for refreshments and to give us the opportunity to answer any questions you may have.

If you have any queries about the evening, please do contact us at the school.

We look forward to seeing you on the 4th February.

Yours faithfully,

Gordon Laidlaw
Depute Head Teacher
