Developing our Young Workforce

D&A College Code Academy

Instead of sitting in front of your XBOX or PS4 come along to any of our digital themed workshops (more than one if you want) with college experts to learn more about programming, networking, web design and build your own creations using Lilypad Arduino Boards.

You'll receive FREE bus tickets from Explore Dundee to transport you to Gardyne Campus (handed out once you register).

Workshops take place Tuesday, Wednesday and Thursday evenings from 6pm – 7:30pm.

Choose which class you would like to attend, at Gardyne Campus:

WEEK 2: March – 28 (Prog), 29 (Net) and 30 (Web)

WEEK 3: April – 18 (Prog), 19 (Net) and 20 (Web)

WEEK 4: April – 25 (Prog), 26 (Net) and 27 (Web)

Attend to receive a Digital D&A Digital Skills Certificate and a FREE Dundee Science Centre ticket!

See Miss MacDonald, PT Computing, for tickets

Girls Cyber Security competition

The computing Science department is taking part in this years "CyberFirst Girls Competition" This is an online, UK wide cyber security team competition aimed at girls age 13-15.

It's a fun way to learn about cyber security and practice skills, which help, protect our digital world and keep us safe online, Collect badges as you successfully overcome the challenges and see how many you can achieve throughout the competition.

Teams of between 2 and 4 girls are needed, and the competition will run during lunchtimes. You will be faced with a series of cyber security challenges that you must solve using any means available to you.

For more information come up and speak to either Mr Krachan or Mrs MacDonald in the Computing Science department.
