

Daily Sheet

Friday 12th January 2018

New announcements!

Please read out to all Pupils:

Timekeeping is an essential quality for all of us, whether at school or later in life in your workplace. As of this week, all pupils who arrive late for school will be issued with a lunchtime detention. Please make sure to be in school on time to avoid this from happening. If your lateness is due to one of the service buses being late, you will not be disadvantaged.

Swimming

There will be no swimming this week.

Extra –curricular Drama classes are open to all pupils S1-S6. Please come along to the Stage area at lunchtime today, Friday 12th January, to express your interest for drama and theatre clubs / events running in 2018. New members are especially welcome.

Pupil Voice Meeting: Wednesday January 17th PERIOD 3.

The next Pupil Voice Meeting is due to take place next Wednesday (17.1.18) during period 3 in Science Space (4216).

It is important that as many Pupil Voice members attend as possible. All S1 – S6 councillors should email me by the end of period 7 on Tuesday 16th stating whether they will be attending or not.

Email address: ddfeaston812@glow.sch.uk

Thanks

Mrs Easton

Your Career
Journey

Interested in a career in Nursing?

We have a fantastic opportunity for senior pupils to spend a morning or afternoon with 3rd year Nursing students at Ninewells hospital working on a variety of nursing simulations.

Thinking of applying to Dundee and Angus College?

Open Days are coming up, giving you the chance to see round the college campus and find out more about courses. Dates are as follows:

Tuesday 6 February: Gardyne Campus

Wednesday 7 February: Arbroath Campus

Thursday 8 February: Kingsway Campus

BT Apprenticeships

BT are recruiting apprentices in a wide range of fields just now.

See the information on the DYW Noticeboard or Miss Mitchell for more information.

My World of Work Ambassadors

To all the S3 and S4 pupils who put their names forward to be trained as MWOW Ambassadors, my apologies for the delay in getting started on this. I intend to see all the S4 volunteers after prelims and will get the S3 volunteers together in the coming weeks for our first meeting.

Miss Mitchell

S6 UCAS

We are now coming to the schools deadline for sending in applications. It is very important that you go and seek out your Guidance Teacher to discuss your reference. There are **far too many** applications sitting incomplete. If you still wish to apply to University you must go and see your Guidance Teacher by Tuesday. The closing date for UCAS is 15th Jan but many courses are almost full so make sure you do something about this prior to the end of term.

If you have any major issues please discuss with: Ms R Walker or Mrs Gow.

Pupil Council New-Corridor Rule:

Further to concerns voiced during recent Pupil Council meetings and subsequent discussion with the Senior Leadership Team please note:

When moving between classes and/or social areas pupils, whenever possible, **should always keep to the left.** This is important as it reduces congestion.

This *includes* keeping to the left at the atrium stairs.

Chance to win House Points for all pupils:

All you have to do is sign up to www.myworldofwork.co.uk or login if you already have an account, and tweet a screenshot of your home page too:

PLEASE INFORM ALL S5 PUPILS IN YOUR SCHOOL

SCOTTISH SPACE SCHOOL @ STRATHCLYDE 2018:

The 2018 Scottish Space School @ Strathclyde residential summer school will be held at the University of Strathclyde from 10-15 June 2018 and applications are now being invited via the online application system.

Now in its 15th year at the University, the Scottish Space School continues to inspire the next generation of engineers and scientists and is aimed at S5 pupils in Scotland currently studying Maths and Science subjects at Higher level.

I would be grateful if you could please inform pupils in this year group at your school of the opportunity to apply for Space School. Applications must be made online and further information and the online application form is available at:

<http://www.strath.ac.uk/engineering/scottishspaceschool/>

If you would like further information or have any questions regarding the programme, please do not hesitate to contact us by e-mail at: scottishspaceschool@strath.ac.uk

Yours sincerely

Professor S J MacGregor
