Easter School 2020

Dear Parent / Carer,

I am pleased to inform you that we will be offering an Easter School to support S4 – S6 pupils in the lead up to the SQA final exams.

The programme for the Easter School can be found overleaf.

If your child would like to take part in any of the sessions available, **they must register their interest by completing the sheet overleaf** and returning it to our School Support Worker, Bev by the **end of the school day on Friday 20th March**.

Sessions will only run if numbers are viable and please note that 30 spaces will be offered as a maximum (20 in practical subjects). These spaces will be allocated on a first come, first served basis.

This year, we will be offering a limited number of sessions which will take place at Menzieshill Community Centre rather than the school in the hope that this may help some young people attend where transport to the school may pose some issues. These sessions are clearly indicated overleaf.

Any sessions that are to be cancelled will be communicated to parents and pupils via the website, twitter and text message no later than Wednesday 25th March.

If you have any queries related to this programme, please contact your child's House Head or Guidance Teacher in the first instance.

I hope you and your young person will find this programme of support valuable.

Yours sincerely,

Barry Millar
Head Teacher
