

MODERN APPRENTICE SCHOOL TECHNICIAN

COMING SOON

This is a **NEW** and **UNIQUE** opportunity for young people aged between 16 and 19 to gain industry recognised qualifications; learn the job role of a school technician and earn an apprentice wage.

You will work towards a HNC in Applied Sciences and a SVQ 3 in LATA (Education Science) @ SCQF level 7. In addition you will undertake a “Technician Passport” covering a range of CDT (Craft, Design and Technology) accredited courses.

The entry requirements for this course are:-

Minimum 1 Higher qualification in a Science subject e.g. Mathematics, Chemistry, Physics, Biology or Human Biology and 2 Nat 5 qualifications 1 of which should be English and the other an additional Science subject or Mathematics or equivalent.

If you are interested and meet the requirements noted above please speak to your guidance teacher or contact Gordon Smith Ddgsmith277@glow.sch.uk on 01382 435723 or Laura Francis ddlfrancis0@glow.sch.uk 01382 436826
