

Dear Parent / Carer,

Home Learning Survey

At Harris Academy we believe home learning should serve at least one, if not all the following purposes:

- to consolidate learning from a specific lesson or topic
- to prepare students for new learning
- to independently reflect on their learning from a lesson or topic

With that in mind, I am currently reviewing our home learning policy and the use of Satchel One, our platform where all home learning should be posted for our pupils.

As part of this review, I am asking for feedback from pupils, parents, and staff, and would appreciate it if you could share your views from experiencing home learning as a parent/carer of the school.

The questionnaire should only take a short time to complete, and I would be grateful if you could do so, using the link below, by Friday 10th March.

Thank you in advance for your support with this.

Parent Council

The next meeting of the Parent Council will be held in Menzieshill Community Hub on Tuesday 7th March at 7pm. The Parent Council have changed venue to give families from the north west of the community the opportunity to attend more easily. Look forward to seeing you then.

At the meeting one of the area's that will be spoken about is parental participation, so this is a great way to get involved and show the Harris Family in the community.

Also being spoken about is School Trip opportunities as well as updates from the School Captains and, School Leadership Team on important matters.

Look forward to seeing you all then.

Murray McLeod – Parent Council Chairperson
