

Dear Parent / Carer,

Christmas Fayre

We look forward to welcoming as many of you as possible to our Christmas Fayre tomorrow morning (Saturday 3rd) from 10am – 12pm.

Christmas card design

This year's Christmas card, which will be sent to all of our partners, has been beautifully designed by Fiona Mackay in S6 with the help of the Art Department.

School extension works / car parking implications

We have been informed that the contractors for our school extension will be on site from **Monday 19th December**.

For up to one year, this will mean that the majority of our school car park will not be available to staff, or parents through the school day.

Additionally, no parking will be permitted on the ramp between our car park and Perth Road for any car and our school gates will be closed for the duration of the school day.

Any parent / carer who has an arrangement to collect a young person from our car park at the end of the school day should contact the relevant guidance teacher to discuss an alternative pick up point.

Christmas Jumper Day

Next Friday is Christmas Jumper Day in the school. Young people and staff are invited to wear a festive jumper.

More information will follow at the start of next week.

Senior Phase (S4 -S6) Parent and Carer Contact Evening

This Monday evening (5th December) we welcome parents and carers of our S4 to S6 Forres and Kinloch pupils.

I would also like to highlight that SDS (Skills Development Scotland) will be present on these evenings to support with career information, advice and guidance. Social Security Scotland will also be in attendance to provide information and offer advice. Social Security Scotland are responsible for managing the benefits system in Scotland and work to ensure those who need them get them correctly and fairly. Finally, Bright Red books will also be in attendance with a special offer on all books, selling all books and study guides for £10 each.

Looking forward to seeing you there, Mr Beattie
