Parent / Carer Newsletter | Session 2021 - 2022

Issue 35 | 24th June 2022

Dear Parent / Carer,

Please find below our most up to date information which is collated by various members of the school's Senior Leadership and sent out, by me, on all our behalf.

Arrangements for last day of term

The school session closes at midday on Thursday (30th June).

Young people will attend their timetabled classes during period 1 and 2, followed by an extended break.

At 10.50am, our end of session Open Mic will begin. Weather permitting, this will take place outdoors.

School buses will arrive at 12pm to transport young people home.

Any young person who wishes to take a school lunch home with them, can order this first thing in the morning from the school canteen.

Thursday will also be a non-uniform day but there is no fundraising plans or donations requested on the day.

Career Ready Internships

We wish our young people who are participating in the Career Ready Programme the very best of luck as they start their 4-week Internships on Monday.

Class of 2002 – S6 Dance, Invercarse Hotel 16th June (Mr Stewart)

A huge thanks goes to Miss Anderson, Miss Reid, and the S6 Dance Committee for organising a fantastic S6 Dance last Thursday. Our out-going S6 pupils were supported by 21 staff with a fantastic time had by all in attendance. Our young adults were a huge credit to the school and their families having a fun filled evening with the dance floor constantly full. Feedback from the DJ's who supported the evening noted it was 'the best S6 Dance they had overseen'. After three long years without an S6 Dance it was fabulous to have it back on the calendar – and our young people displayed our values throughout. We wish every one of them the very best for the future. #TWAH

Shape of the school day (Mr Beattie)

Last week, beginning Monday the 13th of June we changed the shape of the school day in response to earlier consultation with parents/carers, pupils, and staff. I would be grateful if you could fill in this [Microsoft form](#) so as to enable me to gather feedback on these changes, which will help inform our thinking moving forward.
