

Dear Parent / Carer,

After a productive two-day staff in-service, where we focussed on discussing our curriculum offer, along with ways to support improved attainment for all our young people, we look forward to welcoming all 1345 of our young people back on Monday.

Parent Council meeting

Our next Parent Council meeting takes place this Thursday (17th November) starting at **6.30pm**.

The venue for the meeting is the school staff room. As always, all parents / carers are welcome to attend.

S1 Outward Bound Excursion 21st – 25th November 2022

Just over a week now until our group of 24 young people and two staff set off for, what we are sure will be a fantastic Outward-Bound learning excursion to Loch Eil near Fort William.

By way of reminder to parents/carers all young people should arrive at the school as normal for 8.45am **at the latest** with their packed bag with them. No matter what House group each young person is in **they should arrive through the main doors on Perth Road** and then **go directly to the Tiered Seating area** where they will be met by school staff and registered.

The coach is due to leave as close to 9am as we can achieve once all bags are loaded and the group are safely aboard. The coach will then travel to St. John's RC High School to pick up their group before heading directly to Loch Eil.
