## SQA Appeals

---

---

The SQA have now concluded all appeal review activity according to the timeline set out earlier this year.

The outcome of appeals will be issued to the school sometime on **Monday 31 October 2022**. Due to the volume of appeals this year the school will send all outcomes via email to all candidates/parents or carers by Wednesday 2<sup>nd</sup> Nov. The SQA will begin to post Certificates to learners from **Friday 11 November 2022**.

The Appeals process includes a clerical check of all exam papers and SQA coursework, as well as the assessment evidence submitted by the school. Your estimate is **not** included in the review, which is carried out by experienced markers who are subject specialists. **Results are final and you cannot appeal the result further.**

For further information, please contact your young person's Guidance teacher.
