

Tuesday 11th June 2019

All Pupils

As you will all be aware Wednesday and Thursday is the S1 Induction. If you have any younger siblings coming to the school please bring them to the Plaza area where Prefects will assist them.

We ask you to be mindful of your behaviour when in the Plaza area, Dining Centre and Atrium as this first couple of days can be an anxious time for the new S1's.

Thank you

If you know someone who deserves this (A pupil, teacher, other member of the school community) then fill out one of these forms and either place it back in the registration wallet or in the box in the library!

If you can't find your slip later on don't worry, just write down the name of the person you would like to nominate and why on a piece of paper and submit it the same way. Thank you!
